Friends and Fellow Homeowners,

Did you hear that? Wait, there it is again! That's your conscience telling you it's time to volunteer your support to the community, to offer your ideas and suggestions, roll up your sleeves and do the work it takes to transform your thoughts and words into reality. To make Dawson Landing the best it can be.

This notification is a call for candidates for the HOA board of directors. The board is a team of neighbors dedicated to upholding the governing documents, protecting our property value, perpetuating the business of the community, and encouraging community involvement. Prerequisites are an open mind, realization that governance is founded on law, and an understanding that improvements are not instantaneous, but require planning and resolution. The HOA covenants have been converted to an easy to read, searchable document. Director training and seminars are available throughout the year, and staggered terms provide the continuity necessary to carry into the new year and ensure lessons learned are not forgotten.

Although you can be nominated up to the day of the election, this notification serves as an opportunity for your name to be listed on the proxy. You may submit your name by:

- Email dawsonlandingbod@gmail.com, or;
- Mail via USPS to Dawson Landing HOA, P.O. Box 4401, Woodbridge, VA 22194, or;
- Hand a documented submission to a current member of the board.

You are encouraged to include an introduction of yourself with your submission. See <https://www.dawsonlanding.com/board-of-directors> for a sample of current submissions.

Your entry must be received by October 19 for your name to appear on the proxy. The biannual meeting notice will be mailed October 21 with the proxy, instructions, and agenda for the meeting. Elections will be held at the November 8, 2022 biannual association meeting.

The board members look forward to meeting our new candidates and welcoming the new members.

Stay Safe,

Robert L. Parlette
President
