

## The Dawson Landing Board of Directors (BoD) Needs You

**Wanted Now:** A Few Good Event Planners to Plan and Schedule Events for the Dawson Landing Community

The objective is to foster an environment where we get to know our neighbors throughout the Dawson Landing Community in a way that will encourage strength, support and comradery.

**Events may include:** A Spring Festival, A Fall Festival, Christmas Caroling door to door, a Summer Block Party, Yard Sale, you plan it, *and the Dawson Landing BoD will do whatever it can to support you in these endeavors.* Our community has undergone significant change since its original inception. We are at a point where we can enjoy the beauty that our diverse community has to offer.

**So, the BIG question to answer is: “ARE YOU WILLING TO SERVE AS AN EVENT PLANNER FOR OUR COMMUNITY?”**

We have many gifted and talented people living in our community. The Dawson Landing BoD is confident you will want to know them and share with them in a relaxed setting. Remember *“Sharing is Caring.”*

All you need to do to sign up as a Dawson Landing Community Event Planner is send your name and phone number to the BoD at [dawsonlandingbod@gmail.com](mailto:dawsonlandingbod@gmail.com).
