

Dog Walking in Dawson Landing

Getting out to stretch your legs with man's best friend is good exercise for you and in many cases a requirement for your dog. Although we love to see the furry four-legged critters making their rounds, no one is happy to find doggy debris left on their lawn. The Dawson Landing Board of Directors (BOD) has received many complaints regarding pet waste.

Did you know that in Prince William County it is against the law to allow your animal to knowingly or willfully urinate or defecate on private property of other persons or on publicly owned property except parts of parks posted as dog run areas (PWC Code of Ordinances, Section 4-11: [Code of Ordinances, Prince William County \(elaws.us\)](#)). Unless otherwise specifically provided, a violation of any provision of this chapter shall constitute a Class 4 misdemeanor (Section 4-1).

Be a good neighbor and keep our community feces free.
